**ORDER:**

The Government is providing Institutional Care to Children in need of Care and Protection and Children in Conflict with Law by maintaining a number of children homes in the State. Taking into consideration the need to track children under institutional care and to monitor the quality of all Residential Child Care Institutions which are spread-out and diverse in providing services to children, the Government intends to develop a web-based child tracking system, as envisaged under the Integrated Child Protection Scheme [ICPS].

2. The Government with an objective to protect children in the State had constituted the “A.P. Society for Protection and Empowerment of Women and Children” which will be the convergent body of all concerned departments to implement the Integrated Child Protection Scheme [**ICPS**] under the guidance of Govt of India (GoI) in the State. Following the signing of MoU by the State, to implement ICPS, the Ministry Women & Child Development had also sanctioned an amount of Rs. 10 lakhs under the “General Grant-in-Aid support need based/innovative intervention program” as a part of the State budget sanctioned for the State for the year 2009 -10.

3. Accordingly, Government held several discussions with C-DAC, Hyderabad, which is a scientific organization of Department of Information Technology, Ministry of Communications and IT, Government of India. The C-DAC, Hyderabad is a Knowledge centre with the components of Knowledge Creation, Knowledge Dissemination, Knowledge Application to grow in the areas of Research & Development, Training and Business respectively. The R&D focuses of the center are e-Security, Embedded Systems, Ubiquitous Computing, e-Learning and ICT for Development. It has also developed a number of products and solutions such as EnSafe, RealSafe, e-Sikshak, e-Savya, CET Automation Tool, Quality Assurance Analytics Tool for e-Learning and cutting edge technologies like e-Suraksha Concept Lab, Malware Resource Center, Ubiquitous Research Center, Walk-in e-Learning Technology Laboratory, etc. Hence it is decided to entrust the job to C-DAC, taking into consideration its vast experience and expertise in the area of software development and C-DAC being a scientific Society of the Ministry of Communications and IT, Government of India.

4. An MOU will be entered into with CDAC to undertake the proposed “web- based children homes monitoring software” to track children in institutional care.

:: 2 ::

5. The Government after careful examination of the proposal, hereby sanction an amount of Rs.11.00 lakh (Rupees Eleven Lakhs only) (Rs.10.00 lakhs as 1<sup>st</sup> instalment and Rs.1.00 lakh as 2<sup>nd</sup> instalment) to the Director, C-DAC, JNTU Campus, Kukatpally, Hyderabad-500 085 under the ICPS Budget for the year 2009-10. The Director, Women Development and Child Welfare Department is requested to release the said amount to the Director, C-DAC.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

M.CHAYA RATAN,  
SPECIAL SECRETARY TO GOVERNMENT.
